## APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing appli-  
 cation, and do hereby grant the same, subject to the following lim-  
 itations and conditions:

This permit is issued subject to all prior rights on the source.  
A standard headgate and weir must be installed at or near the point of  
diversion to facilitate the measurement and control of water. The  
State reserves the right to regulate the use of the water herein  
granted at any and all times. It is distinctly understood that appli-  
cant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the  
 amount which can be applied to beneficial use, and not to exceed  
0.18 of a cubic foot per second. (Eighteen one-hundredths)

Actual construction work shall begin on or before June 2, 1917.

Proof of commencement of work shall be filed before July 2, 1917.

Work must be prosecuted with reasonable diligence and be completed  
 on or before June 2, 1918.

Application of water to beneficial use shall be made on or before  
June 2, 1919. Proof of the application of water to beneficial  
 use must be filed with State Engineer on or before July 2, 1919.
